Luxury Panoramic Sea View villa in a superb Urbanisation in Moraira. Placed on a plot facing south elevated to appreciate open views of the countryside and the sea. Located in a quiet and private area of Moraira within a short trip to the city and its beaches. There is a closed pedestrian entrance, as well as a large closed driveway on the left for a parking lot off the road and direct access to the massive garage (for 4/5 cars). Through the door a few steps to the front door with traditional pillars leads through into the large open living room. The living room has unfolding French windows that lead directly to the naya terrace / open pool with a 10m x 5m infinity pool with built in hot tub and a bar / barbecue area. Adjacent to the living / dining space is the modern American-style kitchen with a wide range of units and appliances integrated with the central feature of the island (the living / kitchen and dining room all the way out to the pool area). From the living room there is a small corridor leading to two double bedrooms with fitted wardrobe and toilet. Also outside the living room is the master bedroom with a beautiful bathroom and...
